I. Basic Information Regarding Report **(To be completed by the Department)**

II. How to Make a FOIA Request **(To be completed by the Department)**

III. Definitions of Terms and Acronyms Used in the Report

A. Bureau - specific acronyms or other terms included in each report.

B. Basic terms, expressed in common terminology.

1. FOIA/PA request – Freedom of Information Act/Privacy Act request.
A FOIA request is generally a request for access to records concerning a third party, an organization, or a particular topic of interest. A Privacy Act request is a request for records concerning oneself; such requests are also treated as FOIA requests.
2. Initial Request – a request to a federal agency for access to records under the Freedom of Information Act.
3. Appeal – a request to a federal agency asking that it review at a higher administrative level a full denial or partial denial of access to records under the Freedom of Information Act, or any other FOIA determination such as a matter pertaining to fees.
4. Processed Request or Appeal – a request or appeal for which an agency has taken a final action on the request or the appeal in all respects.
5. Multi-track processing – a system in which simple requests requiring relatively minimal review are placed in one processing track and more voluminous and complex requests are placed in one or more other tracks.

Requests in each track are processed on a first-in/first-out basis. A requester who has an urgent need for records may request expedited processing (see below).

6. Expedited processing -- an agency will process a FOIA request on an expedited basis when a requester has shown an exceptional need or urgency for the records which warrants prioritization of his or her request over other requests that were made earlier.
7. Simple request -- a FOIA request that an agency using multi-track processing places in its fastest (nonexpedited) track based on the volume and/or simplicity of records requested.
8. Complex request -- a FOIA request that an agency using multi-track processing places in a slower track based on the volume and/or complexity of records requested.
9. Grant -- an agency decision to disclose all records in full in response to a FOIA request.
10. Partial grant -- an agency decision to disclose a record in part in response to a FOIA request, deleting information determined to be exempt under one or more of the FOIA's exemptions; or a decision to disclose some records in their entirety, but to withhold others in whole or in part.
11. Denial -- an agency decision not to release any part of a record or records in response to a FOIA request because all the information in the requested records is determined by the agency to be exempt under one or more of the FOIA's exemptions, or for some procedural reason (such as because no record is located in response to a FOIA request).
12. Time limits -- the time period in the Freedom of Information Act for an agency to respond to a FOIA request (ordinarily 20 working days from proper receipt of a "perfected" FOIA request).
13. "Perfected" request -- a FOIA request for records which adequately describes the records sought, which has been received by the FOIA office of the agency or agency component in possession of the records, and for which there is no remaining question about the payment of applicable fees.
14. Exemption 3 statute -- a separate federal statute prohibiting the disclosure of a certain type of information and authorizing its withholding under FOIA subsection (b)(3).

15. Median number -- the middle, not average number. For example, 3, 7, and 14, the median number is 7.

16. Average number -- the number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, of 3, 7, and 14, the average number is 8.

IV. Exemption 3 Statutes

 - A. Withheld the location of a threatened and endangered species (twice).
 - B. Withheld studies on butterflies (once).
3. Statement of whether a court has upheld the use of each statute. If so, then cite example.

V. Initial FOIA/PA Access Requests

- This should include all access requests, whether first-party or third-party. Only “perfected” requests should be included. VIII

D. Other narrative statements describing bureau efforts to improve timeliness of FOIA responses and making records available to the public

NPS is very aware of any backlog we may have, and we are working very hard to reduce that backlog, however, at the same time, NPS is receiving more complex FOIA's. We are posting more documents to our webpages to make them readily accessible to the public, which also reduces the number of FOIA's a requester will send to NPS. We are also providing better customer service by promptly contacting FOIA requesters by phone first if we have any questions/clarity/scope etc., then to follow-up with a letter. We are doing whatever we can to serve our customers.

IX.

C. Statement of additional resources needed for FOIA compliance.

NPS could use more funding to comply with FOIA/EFOIA Servicewide. The Executive Order 13392, as well as the Departmental FOIA Plan, has put more demands and procedures in place that FOIA personnel must implement. Therefore, more resources are needed to comply.
